# **MARCH 8TH MEETING**

# **CANCELLED**

It takes a lot for us to cancel an RSES meeting. However, this year the ABCO show is on the same night. The speaker that was already scheduled for that educational meeting cancelled because of the conflict. Realizing most of our potential speakers would be at that show, and that many of our members would also be there, we reluctantly decided to cancel our meeting.

Our next meeting will be April 12<sup>th</sup> with Rick Streacker from Packard Motors speaking on Troubleshooting Electric Motors. We hope to see you there.
