ATTENTION: MEMBERS OF THE REFRIGERATION AND AIR CONDITIONING INDUSTRY

There is an organization for you!! This organization was founded over eighty years ago and is dedicated to ***YOUR*** education. It is devoted to achieving perfection in our trade by improving the educational standards and technical ability of its members. This organization can keep you up-to-date on the latest installation, service and troubleshooting techniques as well as the availability of the newest equipment and tools. Its members are your fellow mechanics, service managers, owners, engineers and wholesalers. Our name is:

“REFRIGERATION SERVICE ENGINEERS SOCIETY” (RSES) –*an international organization.*

In the New York City area we are “The Metropolitan N.Y. Chapter, RSES”

We strive to accomplish the above goals through monthly **evening Educational Meetings** or Seminars, as well as **full-day Seminars**, and a national monthly *information-loaded magazine* “RSES JOURNAL”. These seminars are conducted by field experts and technical representatives of the manufacturers of the equipment and parts that you use, install and service. Recently we had speakers from Copeland, Ranco, Alco, York, Sporlan, Tecumseh, Carrier, Mitsubishi, Siemens, Danfoss, numerous recovery, recycling and reclaiming companies, as well as various chemical companies, to list just a few.

Additional benefits available to our members are Reduced Premium Insurance, Technical Training Programs, on-line training and a “Service Applications Manual” with continuous updating, available on-line. See extensive list of benefits on back page.

If you have a sincere interest in your profession and a desire to improve your ability and knowledge, you can’t afford to pass up membership in this organization. The RSES --- For further information, call me any day, any time. To join, click on link at bottom of back page.

Stan Hollander, CMS
Past President
Educational Director
(718) 232-6679

P.S. You are cordially invited to be our guest at any of our educational meetings. We meet on the second Wednesday of the month at 7:30 PM, September through May at: Riccardo’s Catering, 21st Street and 24th Ave, in Astoria, Queens. Come in and say “Hello”. **YOU - AND YOUR CAREER - WILL BE GLAD YOU DID!!**

Remove Locks and Hinges from All Abandoned Refrigerators & Freezers

RSES member benefits go beyond training and education, however. Members qualify for special discounts on all of RSES training and educational materials, International Seminars and the RSES Annual Conference. They also receive:

- A subscription to the **RSES Journal®** the premiere industry monthly magazine.
- Access to the entire contents of the **Service Application Manual online**, in addition to free periodic updates to SAM throughout the year via hard copy.
- **Local Regular Chapter Educational Meetings** – an opportunity to learn about the latest products, techniques, tips and tricks in our industry, as well as providing the opportunity to meet and network with fellow HVACR industry members.
- **NATE - North American Technician Excellence** has recognized many RSES training courses and events. Technicians who successfully complete one or more of these instructor-led courses, or approved events, will receive credit toward renewing their NATE certification.
- **RSES Technical Institute** provides comprehensive courses of study designed to help members who desire to attain the highest levels of technical competency. Upon joining RSES, student members are inducted as Student (Student Technician) and individual members are inducted as a Level 1 (Technician). Individual members have the opportunity to advance levels through course participation or by passing required exams. On-line study courses are also available.
- **Certificate Member, Certificate Member Specialist and Specialized Member** are classifications of RSES membership exclusive to RSES members (with the exception of student members). This status signifies to customers, employers and the entire HVACR industry your knowledge and commitment to excellence and improvement.
- **RSES OnLine Career Center - jobs.rses.org - UNITES EMPLOYERS WITH TECHNICIANS**. It is a resume and job posting hub where employers with job openings can connect with technicians seeking new employment.
- **RSES Partners in Education** - Entry into this members-only section of the RSES website features exclusive access to the section highlighting technical data from a number of original equipment manufacturers.
- **RSES Journal® Archives Section** - This members-only section of the RSES website features exclusive access to the highlighting features and technical articles since December 1995. **Topics include tips on servicing, maintaining and troubleshooting commercial and residential HVACR equipment.**
- **The MSAC Hotline**, Manufacturers Service Advisory Council, is an exclusive feature to RSES Journal®. MSAC is comprised of longtime industry experts who answer technical questions submitted by readers. Members enjoy free access to this benefit in the magazine and online.
- **Group Insurance Programs**: Various insurance programs are available to RSES members, including disability income plan, long-term care program, hospital income program, cancer plan – and others.
- Through the Hartland Group, RSES members can Obtain **Retirement Planning Advice**.
- Radius Connection provides RSES members with a Jobsite Radius **Direct Mail Program** that helps micro-target specific geographic areas. Keep your name and consistent marketing message in front of customers and prospects with this direct mail program.
- RSES members can save money fueling work trucks with a **Fuel Discount** through Superfleet. Save up to 4 cents a gallon when you sign up for the program.
- **Low Rates On Personal Or Business Travel** through YTB Travel & Cruises.
- **Discounts on copies and select services** through FedEx Kinko's.
- **Professional Web site and web marketing services** at reduced rates through Market Hardware.
- **Merchant Services for Credit Card Processing** Bank of America Merchant Services offers credit card processing and electronic check payment services.
- Member rates for National Air Filtration Association certification programs, publications and conferences.
- Chapter training programs that are based on training courses that are available at discounted prices to members.
- **Networking Opportunities** Chapter meetings, state and regional conferences provide members the opportunity to network with peers and build valuable personal and professional relationships within the HVACR industry.
- **Continuing Education Units** - CEUs are issued to those who participate in many of our training programs.
- Use of the RSES logo on all correspondence and on Chapter websites.
- Discounts on car rentals and hotel/motel rooms.
- The opportunity to apply for a no-fee RSES-branded credit card. A portion of each purchase helps fund RSES programs and services - at no cost to you. Additionally, a line of credit (Gold Option) and revolving loan (Gold Reserve) are also available.
- Participating Jiffy Lube Inc. locations extend a 10% discount to RSES members.

TO JOIN RSES, go to <http://www.rses.org/members/howtojoin.aspx>, fill out the application and payment information, and you're done. You'll be hearing from us before you know it --- You'll be glad you did, and.....WELCOME ABOARD.
