EDUCATIONAL MEETING

WEDNESDAY, April 8th, 2026

Dinner at 6:00pm

At *TAVERNA KOS* 41-19 23rd Ave., Astoria

- ≈ Introduction to NAVIEN's Complete product line review
- ≈ Description and specification of features of different Navien products (Tankless, Boiler, Combi, Heat Pump Water Heaters)
- ≈ Boiler and Hydronic Piping Sizing
- ≈ Heat Pump Water Heaters
- ≈ Intro to Navien's New HVAC Product Line

Presented by: Mike Damoulakis
Representing Navien, Inc.

A MESSAGE FROM OUR CHAPTER PRESIDENT

Over the past few years, there has been a decline in attendance. This is not only with RSES but with many other organizations. Part of the reason that we find - in RSES - is the availability of free training, both in person and on-line. Another aspect is the increased availability of help from manufacturers on line. Unfortunately, seminars are one way the chapter supports itself. The only free training we can offer is our monthly meetings.

A recent survey showed that members could benefit from additional training in electrical circuits, wiring. Therefore on May 2nd we will have a seminar on Electrical Wiring and Meter Usage. A registration form has been emailed and is included with this notice. Seating is limited so register NOW or risk getting shut out.

As always I look forward to seeing you at our May meeting.

Drew Garda

President, Metropolitan NY Chapter, RSES

HVACR
TECHNICAL
TRAINING

**Coming to the
Metro New
York area**

Recommended for:
HVACR Service Techs
HVACR Electricians
HVACR Contractors
HVACR Students

**SATURDAY,
May 2nd, 2026
8:30am – 4:00pm**

**FULL DAY
with Family Style
Lunch served**

Location:
Taverna Kos
41-19 23th Avenue
Astoria, N.Y. 11103
(718) 728-3325

If you work on HVAC EQUIPMENT, this is for you!
**NEED HELP READING SCHEMATICS? • DON'T KNOW WHAT THOSE FUNNY
SYMBOLS ARE? • WHERE DO I PUT MY METER TEST LEADS? • DO YOU
UNDERSTAND YOUR METER READINGS?**

HVACR Training Seminar

SCHEMATIC READING & METER USAGE

We will explain in detail:

- Electrical symbols.
- Series and parallel circuits.
- Tracing electrical paths on actual wiring diagrams.
- Troubleshooting basic residential HVAC units showing sequence of operation and how to effectively troubleshoot electrically.
- Proper application and use of your voltmeter, ohm-meter and ammeter.

This program utilizes lecture, field examples, computerized demonstrations, handout materials and encourages audience participation. A certificate of completion will be mailed to all participants.

The cost for full program, including morning & afternoon refreshment breaks and full service, hot sit-down lunch is:
\$199 - (\$175 for RSES members)

Brought to you by:

R.S.E.S.
