- Rectorseal surge protection
- Apion: Tez 6 vacuum pump and manifold free diagnostics
- Flair smart wireless zoning.

Presented by Steve Miranenko, Jr.—United Components

A MESSAGE FROM OUR CHAPTER PRESIDENT

Our May meeting is usually our last before breaking for the summer. However, this year, Viega has offered to sponsor a meeting in June on June 10th at their facility—***The Viega Experience Center***. Don't miss this opportunity to see the tools and equipment up close. Their presentations are always informative and having it at their facility is a big plus. Because of space constraints, we are limited to 20 **PRE-REGISTERED** attendees. The registration is **first come first served**. There is still room, so register NOW. To register, or for additional information, Contact Rich Bruno via email: *richbrunony@aol.com*

Your Board of Directors wishes you a Safe and Prosperous Summer.

As always I look forward to seeing you at our May meeting.

Drew Garda

President, Metropolitan NY Chapter, RSES
