A MESSAGE FROM OUR CHAPTER PRESIDENT

Obviously we would like to see better attendance at our monthly meetings. Although attendance has been good we owe it to our speakers to give them a meaningful turnout. Our speakers are not paid and do this on their own time. Our speakers give you the opportunity to find out about their products, ask questions and are an important resource for you in the future. They usually present their contact information during the presentation so if you have a question about their product you have someone to call. Building a database of contacts that can help you in the field is essential. On meeting nights we have dinner starting at 6:00. With the purchase of dinners we are able to use the room at a minimal cost. The educational portion of the meeting is free to all members and non members and starts after dinner.

Hope to see you at our October 14th meeting.

Drew Garda
